---

Thank you for sharing your concerns. We understand that this situation may be confusing and stressful, and we sincerely apologize for any disruption it has caused. Please know that HACC remains open and your classes will continue as scheduled.

To help you navigate your campus during the union's strike, please review the attached parking maps for your specific campus.

We have qualified substitute instructors prepared to teach your courses and evaluate your assignments. These instructors will ensure that instruction and grading continue to meet HACC's academic standards. Your attendance and active participation remain essential. Please continue to attend class, engage in coursework and complete all assignments as usual. Substitute instructors will provide clear directions regarding how and where to submit your work.

If a class must be canceled for any reason, you will be notified directly.

Your safety is our top priority. If you ever feel unsafe or intimidated, contact Campus Security immediately or use the College's InformaCast personal safety app. Every student deserves to learn in an environment free from disruption and intimidation.
